Warwick Lovegrove, your Lib Dem candidate for the May county election

Warwick is a long time servant of Tadley and Baughurst. He has served as a Borough Councillor, one of his years as Mayor, is a Tadley Town Councillor and has been County Councillor for Baughurst & Tadley for the past four years. Warwick went to school locally, attending Burnham Copse and The Hurst, as did his four children. He lives in Tadley with his wife, Carol.

A truly local person, Warwick has demonstrated that he has the energy and commitment to represent residents in the Tadley area who have elected him in the past but he also finds time for other community activities; he sits as a trustee on Citizens Advice Tadley, is a member of the Heath End Hall management committee, is Honorary President of the Tadley Community Centre, Chairman of the Loddon Valley Day

Care Centre and enjoys singing with the Tadley Singers.

Warwick has been championing issues important to local people on the County Council for the past four years, issues such as maintaining local roads, working for school improvements, improving waste recycling for the area and ensuring that your council tax is spent sensibly. Warwick believes in serving people and many residents have benefited from his hard work over the past four years. By casting your vote for Warwick again in this May's County Council elections, he will be able to carry on with what he does so well – looking after your interests.
